

# BOSL Rules and Regulations of Play

(Revised April 2022)

1. Seasonal League play will adhere to FIFA laws. Situations “outside of FIFA laws will be addressed as BOSL Rules and Regulations of Play.
2. It is the responsibility of the team manager to address any potential schedule conflicts prior to the league schedule being made. *For example if your team is planning on a tournament, out of town, on a potential scheduled game day; notification must be given to the Scheduler prior to schedule being made.* When the schedule is finalized, all games stand as scheduled; there will be no make-up games or re-schedules.
3. If your team is unable to field players for any given game it is the team manager’s responsibility to notify the opposing team a minimum of one week **prior to game day**. Failure to do that would result on a \$75 forfeit fee, which must be paid prior to the next scheduled game.
4. Home/Visitor: Home team must setup on the West/North side of the field; visitor will be setup on the East/South side.
5. Games shall consist of two thirty-five (35) minute halves, with a maximum of ten (10) minute rest between halves.
6. Games shall start on time with a minimum of seven (7) players on the field. A grace period of ten (10) minutes will be given for late arrivals to achieve the seven-player minimum. Five minutes of playing time will be deleted from each half in order to keep games on time.
7. A team failing to achieve the seven (7) player minimum within the grace period will take a forfeit for that game. A “friendly pick-up” game may be held.

Sliding in open field space with no other players in the active area of play is allowed. Player sliding trying to save a ball going out of bounds when no player is nearby is allowed.
9. Substitutions: Unlimited substitutions are allowed and players may re-enter the game at any stoppage of play. Substitutes **MUST** enter the field at the halfway line and only enter the field once the substituted player has left the field. The substituted player may exit the field anywhere.
